CENTER HA

Feet to the Fire

6-week workshop
beginning on Wedr

Designed to engag
cises each week, F
to spark memory a

Writing is one of t
wonderful way to :

ignite memories and engage aging adults in an ac
means comfortable (paper and pen, tablet, computer
turing personal stories for themselves, their families,
By writing and sharing their stories and memories wi
members feel necessary accomplishment, engage co
purpose. The program offers adults the chance to
inspiration to reflect on the moments that mattered i

No previous writing experience is necessary; people
writing. As long as the writer can read their own wo
be a solution should handwriting or typing prove too
each member will have time to think through the pr
quiet time.

The result is a wonderful, shared experience that
social experience for those who attend.

Meeting Dates: August 14th, 21st, 28th & September
